

**UNITED STATES BANKRUPTCY COURT
DISTRICT OF NEW JERSEY**

NOTICE

Changes in Miscellaneous Fee Schedules Effective July 1, 2001

The Judicial Conference, at its March 2001 session, approved changes to the miscellaneous fee schedule for bankruptcy and other federal court units. The fees for electronic public access have been removed from the miscellaneous fee schedules for each court unit and have been placed in a new, separate fee schedule for electronic public access applicable to all federal courts.

The revised *Bankruptcy Court Miscellaneous Fee Schedule* and the *Electronic Public Access Miscellaneous Fee Schedule* are attached. There are linguistic changes to items 3, 4, 7, and 17 of the *Bankruptcy Court Miscellaneous Fee Schedule*; items 13 and 16 contain fee changes as follows:

Item 13 - Archived Record Retrieval Fee	From	\$25	To	\$35
Item 17 - Fee for Ancillary Filings	From	\$500	To	\$800

The *Electronic Public Access Miscellaneous Fee Schedule* includes charges for electronic access to court data via: (a) dial up service (\$0.60/per minute), (b) internet site (\$0.07/per page), (c) search of court records conducted by PACER Service Center (\$20), and (d) printing copies of any record or document at a public terminal in the courthouse (\$0.10/per page).

The *Bankruptcy Court Miscellaneous Fee Schedule* and the *Electronic Public Access Miscellaneous Fee Schedule* can also be found on the court's internet site: www.njb.uscourts.gov.
